Dear Mr. Fowler,

I just wanted to take the time to thank you for your persistence in convincing Vernon Park Church of God to purchase air time on WJYS.

The response has been fantastic. As you know, we were on cable television when you initially presented WJYS TV 62 to us, but we weren't reaching the total community like we thought we would. WJYS has allowed Vernon Park greater access to the Chicagoland community. We are able to track this by the number of telephone calls we receive from the prayer lines during the airing of our show. We are receiving phone calls from old friends, as well as from individuals in the community, who are in need of help.

Again, we appreciate your efforts of assistance as it relates to us airing our program on WJYS Channel 62.

Yours In Christ,

Claude S. Wyatt, Jr.

Dear Mr. Hunter:

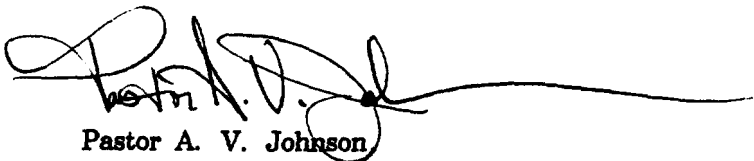

Salvation Christian Ministries is pleased to attest to the integrity, and professionalism of WJYS Channel 62. Since the inception of our business relationship in 1991, there has never been a time when I questioned your ability to provide the best in service and media coverage.

SCM has a 24-hour prayer line with live counsellors working seven days a week ministering to the needs of people across the U.S. Our greatest number of callers are from the Chicago area. On a recent visit to your city, I was privileged to meet many of the viewers of our telecast. They shared testimonies about how much SCM and the prayer line meant to them, and how they enjoy the move of the Holy Spirit via television. This type of response is a continual confirmation that we made a wise decision in airing on your station. We have been commissioned to reach souls for Christ, and Channel 62 in Chicago has enabled us to fulfill our call.

Time will not permit me to write in detail the important role WJYS Channel 62 plays in aiding us to publish the gospel of Jesus Christ. There is no greater work than that of saving lives. We appreciate the WJYS staff.

In Christ,

Dear Sir or Madam:

I had a wonderful opportunity to view your program today and thoroughly enjoyed it. I especially enjoyed seeing the Gospel Keynotes, an old group that I thought I'd never get to see. The Winans groups were a double treat for my family & me. Thank God for your program. We'll keep watching.

Praise the Lord!

I am an inmate at the Stateville Correctional Center in Joliet, IL. I watch the program of videos of choirs, groups, and soloists that you aired on channel 62. The program the wonderful, the christian community here enjoyed it very much, I myself the first night of programming stayed up all night watching as each video that played, then I took a nap at 3:00 A.M. woke up at 10:00 A.M. and continue to watch I loved every bit of it. I am a gospel music connoisseur on choirs, and you played some of the best. Thank you for a very special Christmas, I didn't feel bad at all being away from my family this year because of what God has given you to do.

Thank you again & God Bless You!

Willie

P.S. I hope for the same next year!

If you have a mailing list for announcement please put me on it,

Dear Channel 62,

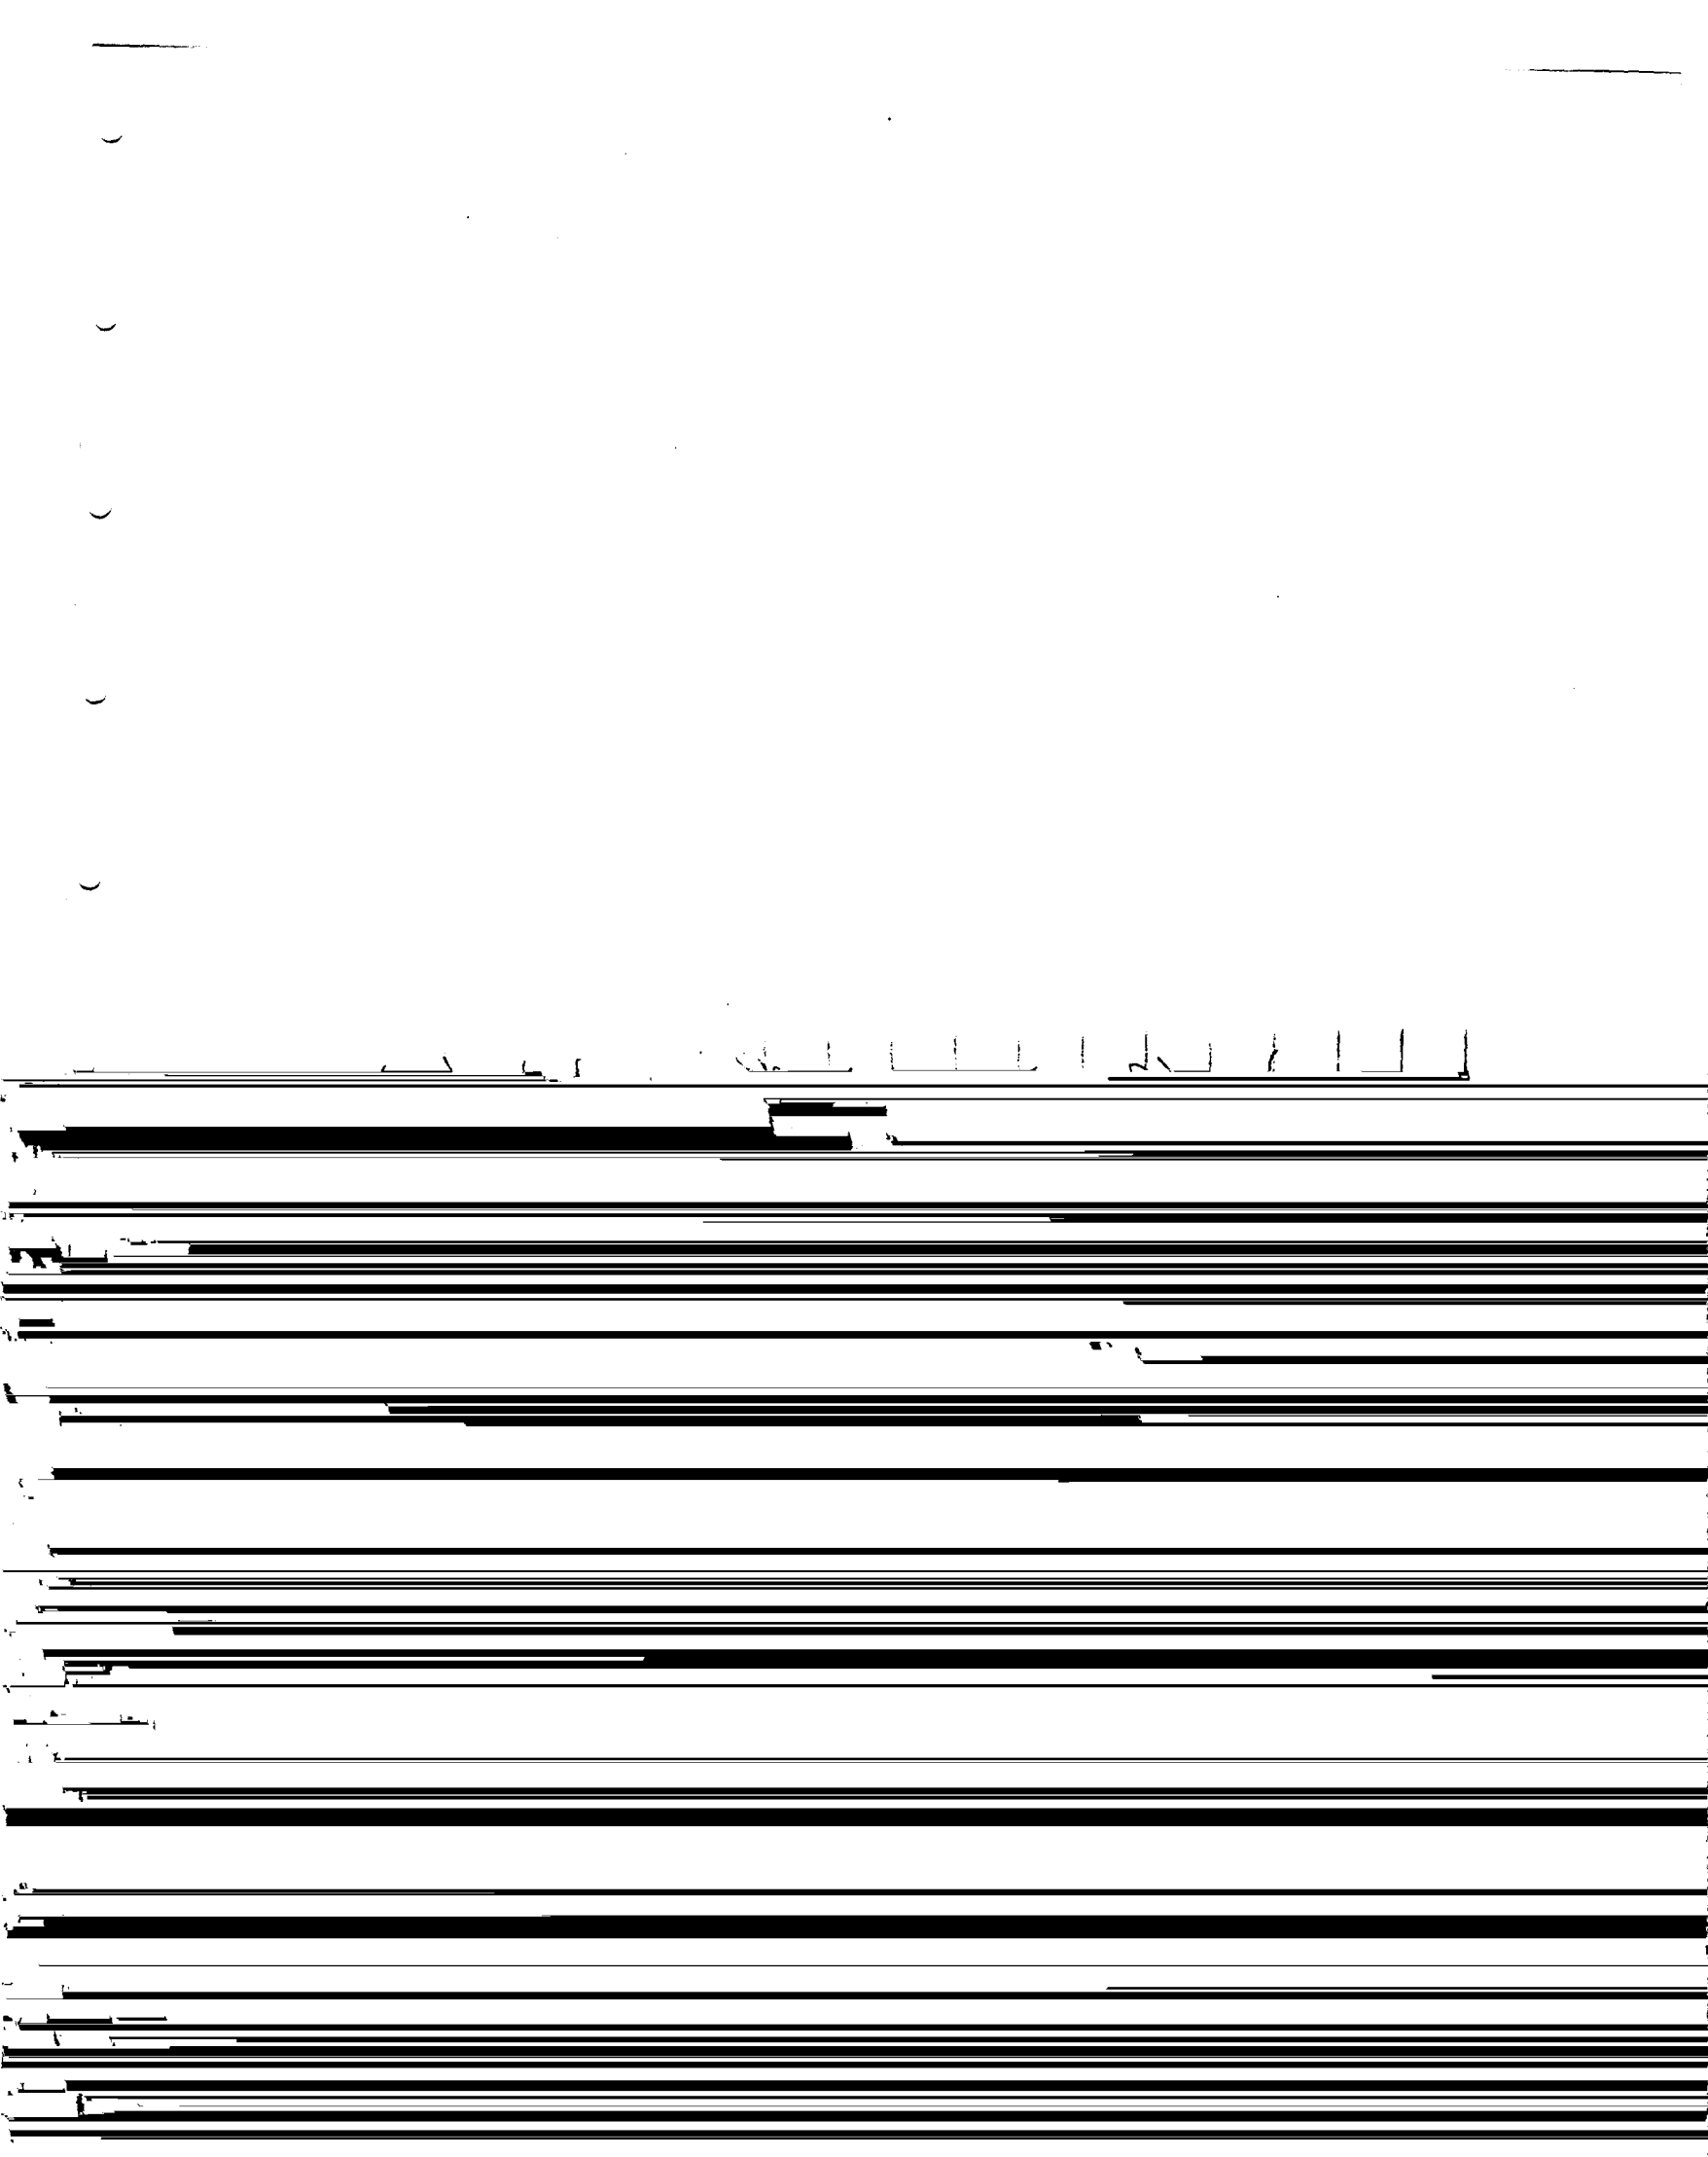

I am writing to thank you for your gospel presentations which were aired on December 30, 1991. I really enjoyed hearing all of the wonderful chors. Not only was I inspired but I was also spiritually blessed.

On Christmas day I am usually setting at home being loved. Although, people haven't forget the joy of giving, they did forget the togetherness

will continue to be a blessing  
to others. Thank you.

God Bless you,

To The Programming Staff at Channel 262

My family and I thoroughly enjoyed  
the program that you aired on  
Christmas Eve and Christmas Day.

It made for a very joyous day.  
I was wondering if you could just

Ronald Jackson & Families

To whom it may concern, in response to your "If you are enjoying this programming".

Yes!, indeed we are. Your telecast aired during the Christmas holiday season was so wonderfully enjoyed by "ALL" in the house. And was such an inspiration for all ages. After watching the program in part at home, around noon on Christmas day the family went over to my mother-in-law's home for dinner and gift presentation, and low and behold they had tuned in on the program there also. All family members present were so delighted to the viewing of the performances of the artists shown that they wanted to see the program in it's entirety.

My mother-in law , Mrs. Essie Patterson age 71 received great inspirational returns in viewing your program on this day. And I do believe especially so because at the time she was going through a most devastating physical disorder, and just couldn't seem to stay uplifted in spirit for the pain in her body. Your telecast provided for her what was needed to hold on to her faith and hope in God, through Christ Jesus. Preparing to have surgery after the new year due to a tumor in her stomach that's causing blockage in the bowel she was quite fearful of her condition, and this inspiration was much needed for her at the time. The doctor's have diagnosed the tumor as cancerous, and are going to admit her on Jan. 3, 1992, surgery scheduled ASAP. She will be admitted in the Univ. of Chgo. Hospitals, and could appreciate a re-telecast of this type, or even the same if at all possible. If not , I Ronald would like to know if there is anyway a video, or cassette recording can be obtained for her listening, or viewing pleasure in the future. We as family are all praying and thanking God for what He is going to do, hoping that you will submit prayer unto the Lord for her deliverance also. The word of God tells us that the prayers of the righteous availeth much, and do believe as Rev. Clay Evans says, " MUCH PRAYER, MUCH POWER", little prayer, little power. And all believers should be as concerned, and loving of others as well as themselves. Believing that channel 62 and staff in whole or part are believers, we request your prayers on this,her condition.

In view of what was aired, it was shown that all

have not forgotten that "JESUS IS THE REASON FOR THE SEASON".

When the Mississippi Mass Choir sang "Near the Cross", I watched as a tear rolled down her face and she uttered, yes Lord keep me, and give me sweet rest in Jesus' name.

While there aren't many TV, or radio stations that air this type of inspiring Christian Ministry, music or word teaching. I assure you that if not by all, we enjoyed it dearly. And with this we know that other families and individuals who saw it were as appreciative as we were. Seeing as though today's economical factors does not allow all to afford cable TV, the birth of your station provides a 100 plus advantage for those who need restored hope in Christ, and spiritually motivated inspiration. It has always been said that in every song there is a message, and your telecast proved that beyond the shadow of a doubt.

Hoping that you will again air the program soon, and if not please respond to the request mentioned about either cassette via correspondence or phone to the address at the heading of this letter or dial (312) 925-9583.

In regards to the telecast we know that you've had a "Merry Christmas", so in parting we wish you a happy and prosperous New Year.

Sincerely The

Jackson, Patterson, Hill, Robinson, Richardson, Glover, McGee, Kajowski, Carter families, may God, through Jesus Christ our Lord bless all of you.
